4 INSPIRING TIPS

For an Elegant & Rustic

THANKSGIVING TABLE

courtesy of joyfullygrowingblog.com

Start with a Runner

Natural fibers and textures are the perfect base for that rustic Thanksgiving table look. Runners help ground your centerpiece, especially on long tables, making the decor look purposeful rather than random. For smaller or round tables, try spreading out a blanket scarf for a cozy look.

Add Pumpkins

Because what Thanksgiving is complete without pumpkins? Include a variety of sizes and colours and don't be afraid to veer from the traditional orange colored pumpkins, try adding in a few copper and off-white colors that are perfect for fall!

Make it Cozy

To keep it classic and cozy, mix in a few candles. Some chunky candles grouped together can make a simple, yet beautiful centerpiece. Adding natural textures with items such as birch wrapped candles adds a rustic, casual look, and including tapered candles in brass or copper candle holders helps to add height and a touch of elegance.

Add Natural Elements

Get creative here! Grab some fall blooms, or go outside and collect foliage like tree clippings, fallen leaves, or even your favorite fall fruits like apples or pears! The possibilities are endless. Items such as eucalyptus and pine cones can give your table an effortless, whimsical feel.

Autumn Means Harvest

By: Lenore Hetrick

Autumn means harvest,
And grain in the bin.

Autumn means farmers
Are bringing fruit in.

It means summer's blooming
Has given it's yield.

Autumn means high tide
In orchard and field.

3. Beat eggs, add cream and milk, and beat into pumpkin mixture until smooth.
